

Single Skin Oil Tank vs Bunded Oil Tank

Single Skin Oil Tank

2 Year Warranty

- Single moulded tank
- Cheaper to purchase
- No containment for oil spill
- Single skin UV protection
- Can be illegal in some applications

Bunded Oil Tank

10 Year Warranty

LONG LASTING

- Single moulded tank within another tank
- Contains 100% of the tank contents
- Provides additional security
- Double skin UV Protection
- Minimises risk of tank rupture or oil spill
